The 3rd Annual international Conference Syiah Kuala University in conjunction with The 2nd International Conference on Multidisciplinary Research 2013

INTRODUCTION

Syiah Kuala University (Indonesian: Universitas Syiah Kuala (Unsyiah) is the largest and the oldest national university in Aceh Province, Sumatera Island, Indonesia. Unsyiah was established on June 21st, 1961. Establishment of UNSYIAH was driven by a spirit to form an institution to bring the Acehnese to become educated, knowledgeable and pious to God Almight

Unsyiah has a vision to establish itself as an innovative, independent, and outstanding university in term of the development of sciences, technology, humanities, sport and arts, in order to produce qualified graduates who highly honour moral and ethical values

This year, Syiah Kuala University will host the 3rd Annual International Conference in conjunction with the 2nd International Conference on Multidisciplinary Research. The conference will include plenary addresses, oral & poster parallel sessions, and tsunami/historical site tour visit.

CONFERENCE TOPICS

The main objective of this conference is to provide a forum for researchers, government officers, educators, students and industries. This forum is as a platform for exchanging ideas, communication and discussion of research findings, and new advancement in science from multidisciplinary fields. It further bridges possible avenues to foster academic as well as scientific activities at the international level

The conference will include plenary addresses, oral and poster parallel sessions, with the following topics, but not limited to:

1. Life Sciences: Agriculture & Veterinary Sciences, Natural Product, Biodiversity, Biotechnology, Marine, Fishery & Aquaculture, Biomedical & Health Sciences, etc.
2. Sciences & Engineering: Math & Engineering, Environment & Resources Management, Information Technology, etc.
3. Social Sciences: Economics, Arts, History & Education, Law & Politics, Management & Business, etc.

Please submit your abstract (a maximum of 500 words) and full paper (a maximum of 5 pages) to:

- Life Science Topics
